

HINEINU COMMITTEE QUESTIONNAIRE FOR VOLUNTEERS

Thank you for your interest in the work of Sukkat Shalom's Hineinu Committee. The Committee's name is taken from the Hebrew word which means "We Are Here". At Sukkat Shalom, the Hineinu Committee connects temple members who can provide support to other temple members in times of celebration, crisis, or unexpected need. The purpose of our Committee is both simple and profound - to create a group of temple members who are willing to reach out to other fellow congregants in times of need. Committee volunteers assemble and deliver Shabbat baskets to members who are welcoming a new child to their family, facing a serious illness, or grieving the loss of a loved one.
